Ceol Cairde (Irish Gaelic for "Music of Friends") has been performing traditional Irish music since the spring of 1989. The irresistible blending of their instruments provides the unique sound that is the "Music of Friends."

The Coffee House is located on the corner of 19th & Wisconsin on the lower level of Evangelical Lutheran Church. Plenty of parking available on street and behind Church. Doors open 30 minutes before show time.

If you'd like to bring a can or two of food to donate to the food pantry through the Coffee House, we'd greatly appreciate it!

Living Activism evenings of music are the legacy of Frank and Agnes Zeidler, who wanted to ensure that the Coffee House of Milwaukee would do its part to recognize and support the organizations that help make Milwaukee a vibrant, thriving, caring community.
